Brownfields/Voluntary Cleanup Section  
Hazardous Waste Program  
Missouri Department of Natural Resources  
P.O. Box 176  
Jefferson City, MO 65102-0176

or  
1738 E. Elm  
Jefferson City, MO 65101

If you have questions, please contact the Brownfields/Voluntary Cleanup Section at (573) 526-8913.

Following review and approval of your application, the BVCP will send you a Letter of Agreement (LOA) and request for oversight deposit. BVCP will begin technical review of the site when the LOA and deposit are returned.

#### INTENTION TO PARTICIPATE

The undersigned requests that the Missouri Department of Natural Resources provide oversight of investigation and cleanup of possible contamination at the property described above in accordance with Section 260.565, et seq., RSMo and 10 CSR 25-15.010.

Neither the Department nor the undersigned will be bound to proceed unless a Brownfields/Voluntary Cleanup Program Letter of Agreement is executed. The Letter of Agreement will be sent to the undersigned applicant after the application has been reviewed and the site deemed appropriate for the Brownfields/Voluntary Cleanup Program. The agreement will describe the project activities of each party and will require the undersigned to reimburse the Department for oversight costs, in accordance with Section 260.569.1, RSMo.

With this application, the undersigned does not admit or assume liability for investigation or cleanup of the site. The undersigned may terminate their participation in the Brownfields/Voluntary Cleanup Program at any time.

The undersigned applicant certifies that he or she declares to the best of his or her knowledge and belief that the information herein is true, complete, correct, and accurate and furthermore certifies that he or she is fully authorized to request participation in the Missouri Department of Natural Resources' Brownfields/Voluntary Cleanup Program.

#### NOTICE

Acceptance of a site into the Brownfields/Voluntary Cleanup Program does not mean nor imply that the department has made a final determination regarding whether the site requires or warrants action under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Resource Conservation and Recovery Act (RCRA), the Missouri Hazardous Waste Management Law, or other state or federal statutes. Acceptance into the Brownfields/Voluntary Cleanup Program is based solely on information related to the site that is known to the department at the time the application is submitted. The department reserves the right to exercise its authority under the referenced statutes should information in addition to that known to the department at the time the application is submitted become available which demonstrates that action under one or more of the referenced statutes is warranted, or should conditions at the site change resulting in a situation that warrants action under the referenced statutes.

**ACCESS AGREEMENT**

I, as owner of \_\_\_\_\_ authorize officers, employees, authorized representatives, and persons acting at the request of the Missouri Department of Natural Resources (DNR) to enter and have access to the above-named property at the stated location for the following purposes:

- The on-site observation and oversight of environmental investigation and remediation activities;
- The detection of surface or subsurface hazardous substances and subsequent marking or otherwise identifying onsite locations of any such hazardous substances detected;
- The drilling of holes for subsurface investigation including the use of drilling rigs;
- The taking of such waste, soil, water and air samples as may be necessary including split samples; and
- Other actions related to the investigation of surface or subsurface contamination.

Owner ensures any/all site operator(s) will give DNR access to property. DNR warrants that, upon completion of the project, any DNR material and equipment will be removed from the site. This consent shall expire upon DNR's issuance of a certificate of completion for this site. This consent shall not be construed as or deemed to be an admission of any fact, responsibility, fault, or liability in connection with the site. The site owner shall hold DNR harmless from any claims (including, but not limited to, property damage or personal injury) arising from activities reviewed or overseen by DNR under this agreement.
